OUR FLAG

God bless the flag, let it float and fill
The sky with its beauty: our heart-
strings thrill
To the low sweet chant of its wind-
swept bars,
And the chorus of all its clustering
stars.
Embrace it, O mothers! and heroes
shall grow
While its colors blush warm on your
bosoms of snow.
Defend it, O fathers! there's no sweet-
er death
Than to float its fair folds with a sol-
dier's last breath!
And love it, O children; be true to the
alms
Who wove it in pain by the old camp-
fires.
—Samuel L. Simpson in The Kentucky
Elk.

SIX KILLED IN NAVY YARD BLAST

Vallejo, Cal., July 9.—Six persons
are known to have been killed in an
explosion which wrecked two store
houses at the Mare Island navy yard
today and at least thirty-one persons
were injured.

Fire which for a time threatened
to spread to the magazine proper was
extinguished. No estimate of the prop-
erty damage has been made.
Buildings in various parts of the
island were damaged and in some in-
stances roofs lifted.
The damage in Vallejo was exten-
sive, windows being shattered and
doors as far as two miles from the
scene twisted from their hinges.
No one was allowed to leave the
island until those having official per-
mission.

ROCK WENT THROUGH WINDOW

Last night about 7 o'clock an au-
tomobile while driving through the
East End caught a rock between the
tire and rim and threw it through the
window at the home of Mr. and Mrs.
Al Maddox on East Second street.
Luckily no one was in the way of the
rock as it crashed through with con-
siderable force.

Mrs. Sarah A. Bartley of this city
has been granted a pension of \$12 a
month.

SENATE AT SEA ON FOOD BILL

Important Changes Must Be Affected
—Likelihood That Prohibition
Clause May Be Modified, and
Many Items of Control
Eliminated.

Washington, July 9.—A recurrence
of opposition to prohibition legislation
written into the food control bill, to-
gether with stubborn protests against
the proposals for government regu-
lation of the iron, steel, cotton and
other industries, completely upset the
plans of senate leaders today and
promises to force important revisions
of the measure.

Falling again to secure unanimous
consent for limiting debate or setting
a time for a vote, the leaders submit-
ted the motion, held in reserve for
several days to invoke for the first
time the senate's cloture rule. They
also arranged a democratic steering
committee meeting for tomorrow to
draft changes in the bill so as to make
sure it will not be defeated when a
final vote is secured.

The culture motion, submitted by
Senator Chamberlain as manager of
the bill, went over until Wednesday
under the rules. It bears the signa-
tures of twenty-one senators, all but
three of them Democrats. For the
adoption, a two-thirds vote will be
required. Before it comes up, how-
ever, the Democratic leaders hope to
effect such changes as will satisfy the
bill's opponents.

In open debate and many private
conferences during the day opposition
grew against the measure. Criticism
was directed particularly against Sen-
ator Smoot's amendment, adopted Sat-
urday, providing for government pur-
chase of all distilled spirits in bonded
warehouses, but many other sections
of the bill came in for attack as well.

At tomorrow's steering committee
meeting plans will be considered to
eliminate steel, iron, cotton and some
other products from the government
control provisions of the bill and to
amend the Smoot provision.

The prohibition question was dis-
cussed at length in today's debate,
with leaders of both "wets" and "drys"
declaring it unconstitutional in its
provision to give distillers a "just and
fair" compensation for liquor to be
commandeered. Senator Kenyon, who
voted for the amendment and has been
prominent in the prohibition move-
ment, told the senate the provision
was not "worth the paper it is writ-
ten on."

That great harm has resulted to the
wheat market since the food legisla-
tion has been under discussion was
charged by Senator Nelson.

Citing the drop in prices here he
declared that the government must
buy the wheat or the farmers would
suffer, the millers being unable to ab-
sorb all the crop. Senator Penrose de-
nounced the bill as "awkward and ab-
surdly ungrammatical and a disgrace
to a crowd of school boys," in some re-
spects.

The senate accepted the committee
amendment empowering the govern-
ment to take over and operate pack-
ing houses, oil and gas wells and pipe-
lines in addition to mines, factories
and other plants if necessary to se-
cure an adequate supply of necessities
for the army and navy. An amend-
ment to permit the board of media-
tion and conciliation to pass upon the
wages to be paid employees of plants
commandeered by the government, was
also adopted without a record vote.

If the bill is recommittees, there may
be an attempt to add a section giving
government control of coal and rail-
way supplies.

U. S. SOLDIERS MAY BE UNDER GERMAN FIRE

A French Port, July 8.—This city
was astir today at the prospect of
the impending departure of the Amer-
ican contingent for its permanent
training camp. Maj. Gen. William L.
Sibert has completed all arrangements
for moving the men. The General
himself will leave by automobile and
will take up quarters already pre-
pared in a village "somewhere in
France," which will be within reach-
ing of the German guns, if not within
direct range.

The troops were enthusiastic to-
day at the prospect of getting several
miles nearer real action and hailed
vociferously the prospect of an early
departure. The town took a vacation
to visit the camp. The residents had
heard only the vaguest rumors about
the troops leaving but did not ven-
ture to lose the opportunity to see
the Americans. The camp adjoining
the seaport was filled with civilians,
who eagerly watched their prepara-
tions to leave.

There is an epidemic of typhoid
fever at Gennevilliers now. Drs. P. G.
Smoot and W. S. Yassil were there
yesterday afternoon attending some
patients.

Miss Anne Wilson of Paris is the
guest of the town.

Was Amount of Money Collected in
Mason County in Big Red Cross
Drive—A Splendid Record.

The Mason County Chapter of the
American Red Cross, in full and deep
appreciation, returns its thanks to the
numerous and generous contributors
who so nobly responded to our recent
efforts in behalf of the War Fund.
Your interest, your sympathy, your
generosity and your quick conception
and performance of this most mer-
ciful duty, exceeds anything in the high
record of Mason County. We knew
there would be no "slacking" upon the
part of great old Mason County, but
your prompt and generous action more
than exceeded our expectations. It is
such conduct that proves the great-
ness of a people.

We are unable to personally ac-
knowledge each donation; but, sub-
mit below the result of our efforts by
precincts, and are confident that had
we been able to extend our organiza-
tion to all precincts, that even better
results would have been obtained. We
hope that the unorganized precincts
will yet take up the work and we will
be glad to co-operate with them to
that end. There is plenty of time yet.
The work of the Red Cross is just
commencing. It is the Army of
Mercy and Duty and should continue
well organized until the war is over.
We hope to have every citizen of Ma-
son county a member.

Respectfully,
J. N. KEHOE, Chairman.
W. W. BALI, JR., Secretary.

MANY ATTEND CARNIVAL

Although last night was the open-
ing of Brown Bros. Greater Shows at
the baseball park, all the shows were
running and a large crowd was out.
The band with this carnival is above
the ordinary. There will be concerts
in the street twice daily.

The contract between the Elks and
the show company is quite a liberal
one and there is one provision which
guarantees that there will be no im-
moral shows, which means that ladies,
gentlemen and children are perfectly
safe in attending all performances.
Go out to the carnival and help
boost the Mason County Red Cross So-
ciety.

"ON THE WRONG SIDE OF THE FENCE"

Qualifications Do Not Count For Much But Politics Do, Thinks Contributor — Purnell Only Lawyer Candidate For County Judge.

The Daily Independent of recent date has this to say of Hon. Harry Purnell in referring to his candidacy for County Judge:

"Mr. Purnell at present represents Mason County in the Kentucky Assembly, and is a brilliant young attorney, well qualified to fill the office, to which he aspires. The Independent thinks, however, he has a very poor chance to land this time for he is on the wrong side of the fence."

Personally we do not know anything about Mr. Purnell, or his qualifications for the important office of County Judge, however, the Independent says he is a brilliant young lawyer and well qualified to fill the office, but leaves us to infer that his brilliant attainments, his knowledge of law, and his upright character, can not avail him anything for the simple reason that this brilliant, well qualified young man is on the wrong side of the fence or is a Republican. If the voters of Mason County are looking for a man to fill the office of County Judge, if he is honest, and capable why ask anything about his political affiliations, or what church he belongs to, what we need for our county is good business management. As County Judge Mr. Purnell will not make our laws, he will only execute them. We do not claim to know anything about the business qualifications of the Democratic candidates who are offering for County Judge, we are told however, that Mr. Purnell is the only candidate who is a lawyer. However there is no doubt but much of Kentucky's slow progress is due to the fact that I will not vote for him because he does not belong to my party, it is not efficiency we want, it is party success.

Mr. Purnell's opponent may be equally as well qualified to fill the office as is Mr. Purnell but from the Independent's standpoint, it is not qualification that counts, but which side of the fence you are on.

Catarhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation is removed this tube remains closed, its normal condition, hearing will be restored forever. Many cases of deafness are caused by catarhal, which is an inflamed condition of the mucous surface. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c. **P. J. CHENEY & CO., Toledo, O.**

CHINA AGAIN IS REPUBLIC

Washington, July 9.—A democracy has been re-established in China, according to State Department despatches today.

After a week's skirmishing during which Sun Yat-sen, the young emperor, was set up at the head of a monarchy, official reports today indicated the Manchukuo emperor had been driven out and the former vice president, Keng Chang, established as president of a new provisional government.

Despatches said the democracy was restored July 7. At the State Department it was said all the foreigners probably were safe. Both sides offered guarantees of their safety.

All legation guards of British, French and American troops reached Peking.

A WORD WITH WOMEN

Valuable Advice for Maysville Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and kidney disorders, because of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

Then help the weakened kidneys. Don't expect them to get well alone. Doan's Kidney Pills have won the praise of thousands of women. They are endorsed—Read this Maysville woman's convincing statement:

Miss Dora Edgerton, Wood St., Maysville, says: "I have used Doan's Kidney Pills and from the results received, I have every reason to recommend them. At times, my kidneys have become weak and have been irregular in action. My back aches, too, and has been very weak and lame across my kidneys. When ever I have used Doan's Kidney Pills for this trouble, they have never failed to relieve the complaint in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills at Chas. S. S. Store, if troubled in that way."

Miss Edgerton is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Miss Edgerton had—the remedy backed by home testimony. 50c all stores. RED CROSS COUNCIL

Sends Letter of Appreciation to Hon. James N. Kehoe and His Associates For Splendid Work Done in Securing Red Cross Funds.

June 30, 1917.

Mr. J. N. Kehoe, Maysville, Kentucky.

Dear Mr. Kehoe:

At the close of the wonderfully successful campaign for the Red Cross War Fund I intend, in behalf of the War Council, to send you and your associates, a telegram of thanks and congratulation for your splendidly effective work. On reflection, however, I decided in view of the nation wide extent of our organization that it would be more economical, and equally satisfactory, to write to you instead of telegraphing.

We of the War Council are deeply grateful to you, to your colleagues, to the devoted men and women of local Red Cross Chapters and Auxiliaries, and to every element and individual in your community who aided by service and contribution.

There is no method by which we can reach the legion of individuals, organizations, churches, newspapers, societies, banks, companies and firms whose united efforts has provided this great fund for humanity, and if through your press and by other means you can make public expression of our gratitude we shall deeply appreciate the courtesy. Their joint accomplishment has stirred the pride of every American.

I wish to add my personal thanks to you, and through you, to all who contributed to the splendid result.

Very Sincerely yours,
H. P. DAVIDSON,
Chairman, Red Cross War Council.
